

New Pool Construction To Begin At Templeton Tennis Ranch

The North County's Premier Tennis and Pickleball Facility Will Debut Swimming and Social Activities With Opening of New Pool This June

TEMPLETON, Calif. – January 26, 2024 — Templeton Tennis Ranch has announced the beginning of construction on a new competition lap pool that is projected to open by June, just in time for summer.

The 25-yard, eight-lane lap pool will serve three areas of interest, according to Templeton Tennis Ranch President and General Manager, Chris Fouquet.

- **Fitness:** Lap swim, aqua fitness programs, and Swim America's learn-to-swim program, which will include private and group lessons for all ages, will help members stay fit and healthy year-round.
- **Competition:** The TTR pool will be the home pool for Templeton High School boys' and girls' swimming programs. Currently, Templeton High does not have a pool. Even so, the girls' team was the CIF Division II champions in 2022! The pool will also serve as the home pool for the North County area of Puma Aquatic Club Swim Team which serves youth from ages 6 to 18.
- **Resort Pool:** The pool offers a beautiful setting to relax pool-side and cool off from the hot North County summer weather. Lounge chairs and cabanas will be available for members to use, with pool-side food and drinks available for purchase.

"This project answers so many local needs; for our TTR members, for our local communities and for Templeton High School," Chris explained. "We are beyond excited to see it finally come to fruition."

The pool contractor is CareCraft Pools of San Luis Obispo. Construction is scheduled to begin this month and will take about four months to complete.
